

# Premium Baskets

## Quality products that are made to last

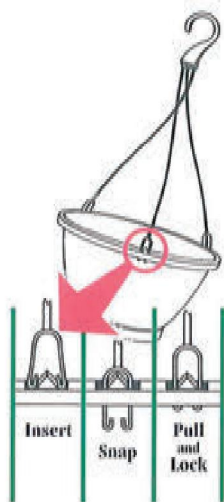

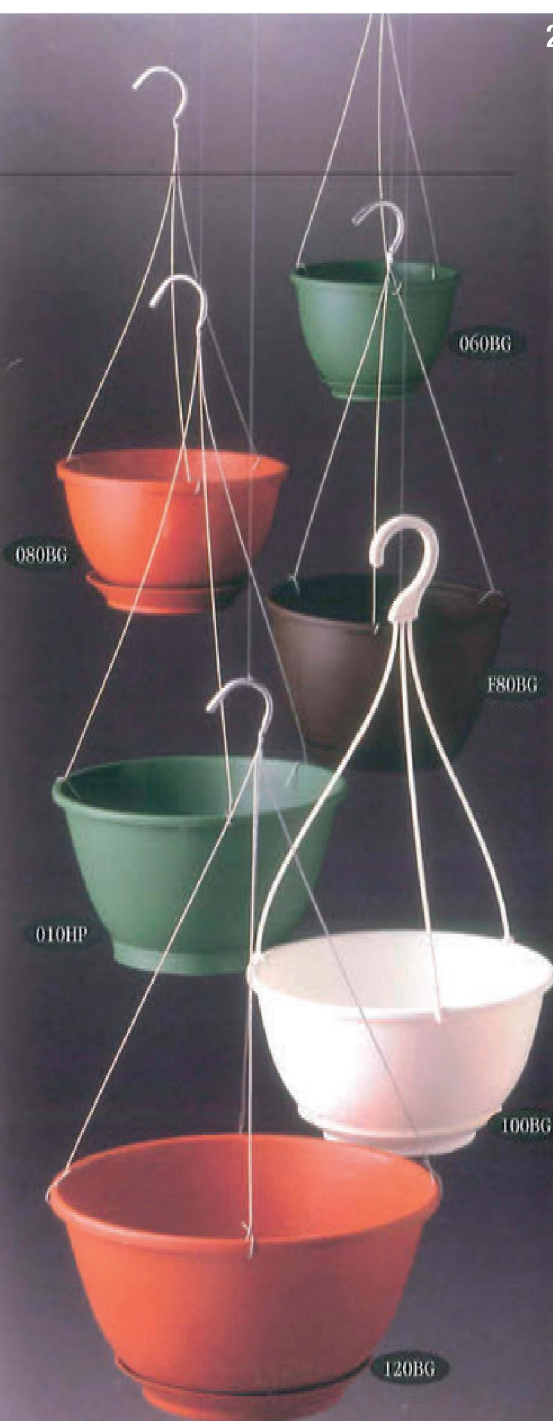

National Polymers manufactures the highest quality line of hanging baskets available. The single attachment for the 8 and 10" saucer makes it easy to work with. The 6, 8, and 10" baskets also feature a 3-strand wire that will not rust. The 12" basket has a 4-strand wire for better balance and strength. The 10" Hanging Planter is a saucerless basket that features our patented "Butterfly Soil Disk" that saves you time and money. It has a water reservoir with 4-drain holes, and a 6" base for stability. Our high gloss finish displays an attractive pot and makes it easy to keep clean.

**Patented Snap-On Saucer**  
Quick & Easy!

**Our 10" Hanging Planter features the patented "Butterfly Soil Disk"**
